Robert Stanley Orrell and Reverdy Lewin Orrell, III
are currently considering several joint genealogical
collaborations on various branches of the Orrell family

In 1987, I was returning home from a very frustrating research trip to North Carolina. Just like a flash going off, this poem came to me. I pulled off on the shoulder of the road and wrote this poem in five minutes!

THE GENEALOGIST

What makes a Genealogist? What makes him tick?
Does he research for profit or just for a kick?

His friends think he's crazy - he's finally lost his mind;
But he's in his glory - he's one of a kind!

He spends hours searching records with his long list of needs;
Then he finds out the courthouse burned; there are no records or deeds!

So he's off to the cemetery to find an old tombstone;
After searching all day, he finally decides it's gone.

Stopping by the local library to use the microfilm reader;
Half way through a roll of film time's up on the parking meter!

By now he's frustrated, his hard work's for naught;
So he heads back for home to collect a new thought.

The mail just arrived, he's been waiting for a letter;
To bring him new info, to make him feel better.

So he sits back and sighs and records the new information;
Already he's thinking about next year's vacation!

About The Author

Robert Stanley Orrell

I was born in 1944 in Miami, Florida, the second of six children of **Robert Lee Orrell** and **Georgia Ruth Stanley**. After several moves around the state we settled in the Daytona Beach, Florida area where I still live today. After high school graduation in 1962, I embarked on a glorious career as a charter boat skipper. My first inspirations to write came from the many days on the ocean. I started writing poetry, telling of everyday experiences. Other than a two year hitch in the Army (1965-1967) as a Military Policeman operating a patrol boat in Vietnam, I spent the next sixteen years on the ocean. I finally I burned out and moved on. In 1980 I joined a plastic manufacturing company, working my way up to plant manager. After a corporate merger left me without a job in 1988, I have worked for myself since.

I have been heavily involved in family research since my dad died in 1977. When giving the undertaker information for the death certificate, I found I didn't even know my grandfather's name! This started the ball rolling. In addition, Alex Haley's *Roots* miniseries was just becoming popular. Within a few months I was hooked! I became totally obsessed with learning more of my ancestors. Genealogy is a burning passion with me. I take several research trips around the country each year in search of my elusive ancestors. I have to know where they came from and why they moved from state to state. I want to know how they lived and the jobs they worked to raise a family. I want to know how they fought for their country, whether it was Indian Wars, the War Between the States, and the wars fought around the world.

My first writing assignment was writing a monthly newsletter for a sport fishing club of which I was a member back in the sixties. I banged away on an old IBM Selectric typewriter and went through plenty of whiteout. I wrote several fishing columns in local magazines and newspapers for many years. I also wrote a monthly newsletter for the local genealogy society. I have written and self-published eleven books (two were co-authored with **Reverdy Lewin Orrell, III** and **Terence A. D. Orrell**). For many years I wrote and published the *Orrell Family Association Newsletter*. I am currently working on five more books. Hopefully, my efforts will be preserved for future generations to enjoy.

Foreword

by

Brenda Orrell Noah

What a feat, what a chore, what a gift to the Orrell family. When my brother, **Robert Stanley Orrell**, asked me to edit his latest Orrell book, I had no idea how comprehensive it would be. This book, which is a joint effort by Bob and **Reverdy Lewin Orrell, III**, contains over 1000 Orrells and their families. The information on the Orrells in this book is a product of years of research by Bob and Reb and quite a few other Orrell researchers that they have corresponded with over the years. Much of the data is well documented. Some of it is "family tradition" or information passed down from generation to generation within the families.

Although there may be some mistakes due to the volume of data, every effort was made to give an accurate history of this Orrell family. For example, Bob's family line was not included because he could not prove the connection. Even though he has strong clues as to the connection, there was not enough evidence to state it as fact. So why did Bob and Reb publish this Orrell Book? Because they wanted to share their vast knowledge obtained from many years of tedious, but exciting, research with other researchers and future generations.

Through the years, Bob and Reb have written quite a few books about the Orrell families, the Orrell fighting men, and families related to the Orrells. They also wrote and published the *Orrell Family Association Newsletter* for many years and put the **Orrell Family Records** (including pictures and documents) on CD-ROM. Presently, they answer questions and put Orrell researchers in touch with each other through the **Orrell Family Genforum** on the Internet.

Several years ago, being Bob's sister and new at genealogy, I was fortunate enough to be shown the "ropes" first-hand by the expert. One of the biggest thrills of my life was a trip that Bob and I took to Tennessee and North Carolina. We attended a genealogy conference, went to the Nashville Archives and the Raleigh Archives, and went to see the old home place of our ancestor, **Daniel Black Orrell**, in North Carolina. On that trip I learned the thrill of tramping through cemeteries looking for ancestors' names on tombstones, straining to read old documents on microfilm readers, holding an original will from 1781 in my own two hands, and the excitement of making even the smallest discovery after hours of pouring through old records. If Bob and Reb could take everyone on such a trip to teach them about their heritage, I'm sure they would.

In his foreword as editor of one of Bob's books, Reb said "The Orrell family is lucky to have a man such as **Bob Orrell** documenting and recording its heritage in America. Bob has spent many years, thousands of hours, and thousands of dollars researching and documenting the history of the Orrell family." I would like to add that the Orrell family is also very lucky to have a man such as **Reb Orrell** doing the same. As Bob put it "genealogy is a burning passion with me." How lucky we, and future generations, are that Bob and Reb have this passion.

ORRELL FAMILY HISTORY

Until 1100 A.D. most of the people in Europe had only one name. As the towns became more populated, individual surnames originated for the purpose of more specific identification. Usually the name was derived from the person's job, such as-- miller; carpenter, miner, shoemaker, etc or the area in which the person lived, such as-- river, hill, etc.

The surname **Orrell** is locational in origin: meaning *of Orrell*, which is a small township in the county of Lancashire, England. The old English spelling was **Orhul**, translated to mean *a place where metallic ore is found* or *ore in the hills*.

There is much speculation as to the origin of the first Orrell, but I will stay with the documented proof shown here. The earliest Orrell we know of was **Richard de Orhul (Richard of Orrell)** who held a small parcel of land during the reign of Richard I in 1189-1199 A.D. Also, many, many variations of spelling and meaning of the name have been found, but there again, I will stay with the most common and documented version.

The Coat of Arms originated as a pattern painted on a knight's battle shield. Later this pattern was woven into the knight's surcoat, which he wore over his armor. Many times the knight's horse would wear a fancy surcoat with the knight's coat of arms. As more designs were created, they were registered, listing the knight's name and exact description of their coat of arms. This would give each family member his own Coat of Arms. The first son could use his father's crest, but any other sons had to change their coat of arms somewhat. So, with any coat of arms, one might find many, many, variations registered in the Heraldic Archives. The Orrell that the Coat of Arms on the cover of this book is registered to is unknown. We use it as a generic Coat of Arms just to give everyone an idea what their own Coat of Arms may have looked like. Also, throughout the book several different Coat of Arms are displayed for the same reason.

Probably the two biggest reasons for people immigrating to the United States were economic and religious. They were searching for a better life, looking for religious freedom, looking for new and fertile land to farm, and for some to escape imprisonment for a petty crime for which they had been convicted. They all shared a common dream - a dream of a new and better life.

Most of the early Orrells in the United States received a tract of land to settle if transported to the United States from England. In the middle to late 1600s and into the early 1700s, several Orrells were documented as arriving in Maryland and Virginia. Among them were **John Orrell, Thomas Orrell, Alexander Orrell, Ralph Orrell, Robert Orrell** and **Henry Orrell** are some of the ones found in Maryland and Virginia. With the exception of our subject, **John Orrell, Sr**, very little is known of them. Immigration records were non-existent then. Many early records were lost or burned. Researchers have to depend on old, hand written records to 'find' and trace an ancestor. Without these records, information on the family could not be found.

In the late 1700s many families moved west and south as the coastal regions became settled. People were naturally eager to move on, to settle new territory, and to find new farming land. North Carolina and Ohio were the first two states settled by our Orrell families after leaving Maryland. From there, Indiana, Missouri, Tennessee and Texas were just some of the states the Orrells moved to.

Today, Orrells are found in almost every state.

INTRODUCTION

This project has been on the drawing board for many years. Reb and Bob have been researching together during the summers since 1988. In the early days it meant driving hundreds of miles to a research facility armed with notepads and pencils, relentlessly extracting information all day, breaking only long enough for a quick hot dog then back to work, arriving back at the house at dark to sort and load all of the notes into large notebooks. Do they still make those things?

After several years of this, Reb made to jump to a Comodore computer and replaced his old IBM typewriter. Not long after Bob purchased a Tandy computer to replace his old IBM Selectric. Notes were quickly organized into a genealogy program and stored. Soon a laser printer replaced the old dot matrix. Book-quality reports were printed and notes made for the next research trip. Talk was ongoing about gathering enough information for a small book on the Orrell Family. It wasn't long until the old computers would not hold all of the information. State of the art computers were ordered which held a giant 40 megs of memory. Today one program uses more memory! The latest and fastest computers, laser printers, writeable CD ROMs, scanners and the internet have greatly enhanced one's ability to research, in some cases, never having to leave the house. From that first conversation about compiling a book on the Orrell Family, 39 books have been published by Reb and Bob!

Nothing will ever replace the thrill of digging through old books and reading roll after roll of microfilm, hoping to find just one small shred of information relating to the family. Most of the state archives will allow the researcher to call up the original document and actually hold it. In most cases the original material has been microfilmed for ease of researching and to save destruction of the old records. A lot of the newer researchers will never experience the joys and heartaches of finding a parking place, walking several blocks to the library, breathing the dust from the old books and microfilm, or stomping through a cemetery just hoping to find a long lost relative among the many hard-to-read graves. The internet has revolutionized researching and we whole-heartedly support that method of researching just as long as the information received is well documented.

This book was researched the old fashioned way. Reb and Bob spent many, many hours in the Maryland Hall of Records, Maryland Historical Society, Peabody Library, Baltimore City Archives and the North Carolina State Archives. In addition, hundreds of letters were written in the early days to any Orrell found in phone books around the country, in hopes that someone would return the questionnaire and share their family stories and pictures. Many friends have been made through the research and the publication of the *Orrell Family Association Newsletter*. We will never forget the summer family reunions, meeting new friends and sharing stories and information throughout the day. A lot of information for this book came from these meetings. Now, a simple click of the mouse will put you in contact with anyone in the world in less than a minute! In the early days of research it took a week or more for a letter to reach our colleague **Terence Orrell** in Bolton, England. Now we are in constant contact via email. Bob started the **Orrell Family GenForum** on the internet for persons wishing to post a query on their Orrell relatives or just to make contact with other Orrell researchers. We have made more contacts through the internet in two years than we did in 20 years of letter writing!

Many of the documents and pictures in this book were sent in by others interested in sharing their family notes with the authors. A large percentage of the documents had to be purchased from state archives or state vital statistics, making the research very expensive. In 1980 most documents were \$2.00. Now a lot of the documents cost \$10.00 or more. A few of the state archives have a fifty year clause. This means any vital document more than fifty years old is open to the public. A few years ago I was researching in the North Carolina State Archives when the microfilmed vitals were released. Needless to say, I copied 79 Orrell death certificates at 25¢ each. Before that, we had to call up the vitals book and use an extraction form to record information from the death certificates. One of the most expensive parts of this project was the service records from the War Between The States. I found 89 Orrells that had served both the Union and Confederacy. The records were \$10.00 each!

What constantly amazes me is how any records at all survived for three hundred years! Wars and fires were the most common causes of records being lost. Also, some of the early clerks would carry records home at night for safe keeping. Well, some of them didn't make it back to the courthouse!

Just to think that the main subject of this book, **John Orrell, Sr**, was in Maryland one hundred years before the United States came about is mind boggling! And at least one Orrell was in Maryland, two in Virginia and one in South Carolina prior to that!

It's hard to imagine just how hard of a life the early settlers must have had, trying to scratch out a living farming and raising a few cattle and hogs to live on. Some of the families decided to pack up and move south and west looking for more and better land to farm, always dreaming of a new and better life. Some of the families settled in North Carolina, Indiana, Tennessee, Oklahoma, Missouri and Texas. After the War Between The States quite a few even moved on to the west and settled in California, Oregon, Idaho and Washington State. It's hard to imagine the hardship these families must have endured on these trips. We complain about taking a trip on the interstates today. These early settlers had to walk hundreds of miles carrying all of their earthly possession in a beat-up wagon, hoping to find a piece of ground on which to settle and start a farm.

Everyone who reads this book should pause a minute and thank the early Orrells for their existence today.

By the time this book is printed, the Orrell Family will have its own website. Reb has spent many, many hours designing this site. The Orrell Family should be proud of the work Reb has done on this project. Check it out at: **www.orrellfamily.com**

First Generation

First Generation

John Orrell, Sr was born about 1653. I, along with many others researching this family, have not found any conclusive evidence as to John's birthplace or parents. It is not known if he was born in Maryland or England. Orrell researcher **Terence A. D. Orrell** of Bolton, England speculates that John was the son of **John Orrell** who was the son of **Thomas Orrell** of England. I have included here (with permission) the notes of **Terence Orrell** on the possible parents of **John Orrell, Sr**:

John Orrell, Sr - A Possible Father

Here is the information as promised that I think substantiates further the premise that **John Orrell** of Cambridge was the son of an earlier **John Orrell** (living 1676) who was himself of the Orrell family of Cheshire line of descent.

"While looking at the Family Tree Maker Home site on the net I used the search engine and found some Orrell references. I looked at a few and found them frustrating as they included Worrell, Correll, Morrell etc.,. One of the last ones that I found was a User Home site for the Frazier family which included an **Aaron Coppock** whose place of birth was given as Chester, England and who was stated to have married a **Mary Orrell** born about 1663 in England the daughter of **Moses Orrell** and **Martha Scarborough**. I had never heard of a **Moses Orrell**, but the surname Coppock seemed to ring a bell. On looking further I found that Sarah daughter of Aaron and Mary was born in 1690 in Mobberley in Cheshire. One of the Orrell families in Cheshire in that period lived in Mobberley which was interesting. But as I say I had never heard of a Moses, still the name Coppock sounded familiar. I checked in my pedigree of the Orrell family and found that **Robert Orrell** of Knutsford in Cheshire, (about two miles away from Mobberley and cousin of **Robert Orrell** of Mobberley, had married in 1697, **Hannah Coppock**, which is why the name seemed to strike a cord. I then decided to check in my world family tree discs supplied with my software and found another reference to the same Mary and **Aaron Coppock** in Volume 4 No. 1236 and in this discovered that **Hannah Coppock** was Aaron's sister. Mary would seem to be unconnected as her father is given as **Moses Orrell** whereas Robert's father was **Henry Orrell** of Knutsford who died in 1702. However, the parentage in the Family Tree volume is not as specific as the one on the net and merely states for the father of Mary: A **Moses Orrell**. Therefore the supposition of one person has been interpreted as the fact of another, as so often happens. **Moses Orrell** as a name appears nowhere in the records that I have seen. Although he could of course still have existed. But the uncertainty leads to the question that the true identity of Mary has not been established. The significance of this story is that **Aaron Coppock** emigrated to the United States and died in Nottingham, Pennsylvania in 1725.

This leads us back to **John Orrell**. **Thomas Orrell** of Orrell's Well (a farm in Chorley, Cheshire a few miles from Mobberley and Knutsford) died in 1642. His elder brother **Robert Orrell** of Woodhouse farm in Mobberley who died in 1688 was the grandfather of **Robert Orrell** of Knutsford who married **Hannah Coppock** in 1697. Thomas had an elder son **Robert Orrell** who died in Lewsham in Kent in 1660. In his will Robert mentions his brothers Francis, Thomas and John and sister Justinia also Martha, Matthew and Mary Orrell who were either siblings or nephews and nieces. Robert died without issue. Francis or Thomas would inherit the family property, John who was the fourth son, born in 1638 and aged about 22 in 1660 would have to find his own livelihood. He would be well-acquainted with his cousins at Knutsford and Mobberley and the Coppock family as everyone knew everyone in these small parishes.

We have no further record of **John Orrell** in Cheshire or anywhere else in England. No marriage, no children, no death. I think that it is highly likely that he settled in what were then the colonies and that **Mary Orrell** was his cousin, or perhaps his neice, or even daughter, and that her husband **Aaron Coppock** followed the example of his relative by marriage in settling in the United States. Once again this can only be surmise but it does establish that **John Orrell** of the Cheshire branch of the family is the only known Orrell who had a neighbour/kinsman known to have settled in America in this period.

The naming pattern of the Cheshire Orrells followed the U.S. trend: Thomas, Robert, Francis John, Martha, Mary all being used in both families. I think that John would have settled as an immigrant and not a deportee, and that he has no connection with the **John Orwell** previously thought to have had a connection with the family. As I understand it, John was a landowner and official of the county and as such was probably of some standing upon his arrival. Also

I seem to recollect, although I do not have the record to hand, that in your book, Reb, you mention the surname Barratt, and as a further coincidence, John's sister Justinia was married to a **William Barratt**.

Author's note 📧 A big thanks to **Terence Orrell** for his work on the British side of the Orrell Family and his many contributions to our research.

* * * * *

From Calvert County, Maryland Records: *January 20th 1676 came **John Abington** of Calvert County, merchant and proved his right to two thousand two hundred acres of land for transporting the forty-four persons following into this province to inhabit. **John Orwell** (Orrell) was included in this list. The only Orrells found in Calvert County were **Alexander Orrell, Thomas Orrell, Jane Orrell, Isabelle Orrell** and **Rebecca Orrell**. No person with the name of Orwell has been found in any Maryland records making us think the spelling was an error, which was very common in early records.*

I found a **John Orrell** in Baltimore County, Maryland Tax Lists for 1703, 1704, 1705 and 1706. I don't believe this is **John Orrell, Sr** ! This gives us four distinct John Orrells!

[illegible]

I found mention of John several more times in Anne Arundel County court records. In 1714 John was called to jury duty. He was also a grand juror in March court of 1716 in Anne Arundel County. John was a witness in the will of **John Rankin**, Planter, Anne Arundel County on 26 December 1716.

The last date **John Orrell, Sr** was found in Anne Arundel County was 1717. On 9 March 1719 **Thomas Taylor**, Gent sold to **John Orrell**, Merchant, the 6th lot in the town of Cambridge, Dorchester County, Maryland. Bear in mind Cambridge is across the Chesapeake Bay from Anne Arundel County! There were no bridges or cars back then. How did he get there? We don't know! How do we know this is the right John? This one was easy - the lots John owned in Cambridge were left in his will to his children including Mary and John, Jr who were born in Anne Arundel County.

On 10 March 1719 **Samuel Chew** gave a Power of Attorney to **John Orrell**, signed in Dorchester County.

[illegible]

Descendants of John Orrell, Sr and Mary Hunt of Maryland

On 16 August 1720 **John Kirk** and **Anthony Rawlins** sold to **John Orrell** Lot #3 in Cambridge, about $\frac{3}{4}$ acre.

Now the good part! In November Court 1720, Anne Arundel County, **John Orrell** was listed in a lawsuit as plaintiff vs. **Henry Wheeler**. Also in another lawsuit John was listed as plaintiff vs. **Richard Seale**. How did he get back to Anne Arundel County? It would take days to travel that distance on horseback!

On 21 Apr 1721 **Thomas Hunt**, Gent & Anne his wife sold to **John Orrell** a tract of land known as *Middle Division* on the branches of Chicacone near the branches of Cabin Creek in Dorchester County. Of course, we know **Thomas Hunt** was the father of John's wife **Mary Hunt**.

On 31 Aug 1721 **Thomas Hunt**, Gent sold to **John Orrell** a Mullatto named **Dick Conner**.

On 18 Jul 1723 **John Orrell** gave to **Francis Allen**, attorney at law a Power of Attorney.

On 16 Nov 1723 **John Orrell** gave to **Jacob Lockerman, Jr** attorney of Dorchester County Court a Power of Attorney.

From the 7 August 1723 Dorchester County Court: *Then as the request of Mr John Orrell a certain John Hill personally appeared before me the Subscriber one of his Lordships Justices of the Peace for the said County and made oath on the holy Evangelists of Almighty God that he the said John Hill did not report such scandalous words as its reported the John Hill did on the said John Orrell, in saying that the said John Orrell should cut up a coat or order the said John Hill to cut up a coat of Mr Thomas Woolfords and that the said John Orrell should give it to one of his servants. The said John Hill further maketh oath that he never did report any such words to any person whatsoever upon the said John Orrell and that whenever knew that the said John Orrell should doe any such like action by any person whatsoever. Sworn before me the seventh day of August Anno Dom 1723 Thomas Taylor. Test. Jno Eccleston and John Tollet.*

On 20 November 1723 in Dorchester County **John Orrell** signed over to his wife Mary their mulatto manservant named **Dick Conner** until he reaches the age of 32.

John Orrell, Sr's will was written on 23 November 1723 and witnessed on 16 December 1723 in Dorchester County.

1723 **John Orrell**

Dorchester Co. Will

Liber 18, 216

In the name of God, Amen.

I John Orrell of Dorchester County being sick and weak in body but of perfect and sound memory. Thanks be unto Almighty God for the same and taking unto consideration the uncertainty of this life and that it is appointed for all men once to die being willing to settle my Worldly affairs where with it hath pleased God to bestow upon me here on Earth do make and ordain this my Last Will and Testament hereby revoking all or any will or wills by me heretofore made pronouncing and declaring this my Last Will and Testament in manner and form following that is to say:

*First I give and bequeath my Soul into the hands of Almighty God who gave it to me and my Body to the Earth from whence it came to be buried in a decent manner as by my executor hereafter named shall deem fit. I give and bequeath unto my beloved wife my dwelling house and lots of land belonging and lying in the Town of Cambridge until her decease and then to descend unto my children all my estate both real and personal lands and tenements to be equally divided amongst them all to them and their heirs forever, my Dear Wife to have an equal share of my personal estate. I do hereby request my executor to sell and dispose of a parcel of land to which I have in my possession in Anne Arundel County to pay my debts and that it be converted to no other use then this my Last Will and Testament. I desire that all debts I owe and owing unto me be distributed amongst my children after my own debts be paid and that my executor pay all the debts that I owe to any person, that is just. And lastly I do hereby appoint my beloved wife **Mary Orrell** my whole and sole executor to execute this my Last Will and Testament.*

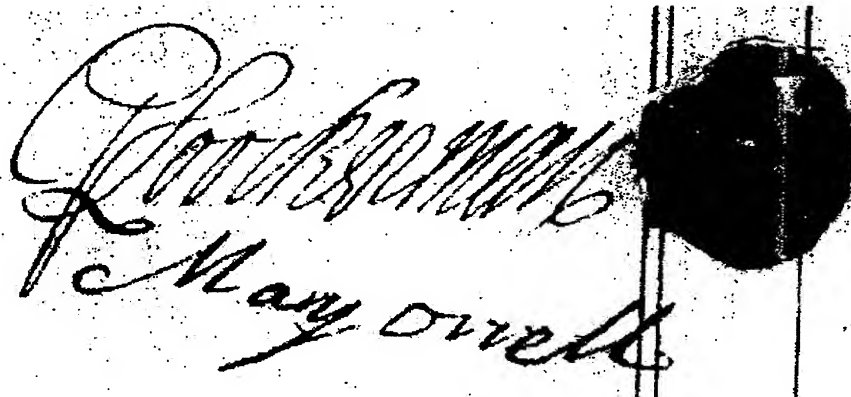

In witness whereof I have heretofore set my hand and affixed my seal this twenty-third day of November 1723. Signed, sealed, declared, published, and pronounced in the presence of John Tollet, William W. Stanford, and Johanna H. Hennesey.

First Generation

(At the foot of the foregoing will was thus written:)

December 26, 1723 came **John Tollet** and **Johanna H. Hennesey** two of the subscribing evidencors to the above will and made oath upon the Holy Evangelists of the Almighty God that they saw the above said **John Orrell** sign and seal and heard him publish and declare the above instrument of writing to be his Last Will and Testament and at the time of his doing he was to their knowledge in perfect sense and memory and also there was with them and there present the other witness **William Stanford**.

John was mentioned in Dorchester County records again in 1727 when his inventory was appraised. His inventory was recorded in Dorchester County in April 1724 so he died between December 1723 and April 1724. It appears his wife Mary signed her name to the inventory as there is not an X by her name. Shown here is a copy of that signature.

Even though it is very lengthy, I thought it would be worth the effort to show the transcribed inventory here. The inventory was recorded in Dorchester County Court Records in Liber 10, folio 238. It was very difficult to read. Reb had the thankless job of transcribing the inventory.

*An inventory of all and singular the goods and chattels of **John Orrell**, late of Dorchester County, appraised by us the subscribers in current money of Maryland the 22 day of April anno domini 1724.*

It appears Mary did sign her name to the inventory. This is the signature shown earlier.

Shown here is the first page of the inventory to give the readers an idea just how hard it is to transcribe some of the old documents.

Mary Orrell died in September 1726 in Cambridge, Maryland. Her will was written on 4 September 1726 and witnessed 26 November 1726 in Dorchester County. Mary was mentioned in several Accounts of Dorchester County after her death. Her inventory is recorded in Dorchester County in 1726. Inventory #2 is listed in Dorchester County in 1728. Inventory #3 is listed in Dorchester County in 1730. Inventory #4 is listed in Dorchester County in 1732.

I could not get a readable copy on Mary's will. As with John's will I have shown a transcribed copy.

Descendants of John Orrell, Sr and Mary Hunt of Maryland

In the name of God, Amen.

*The fourth day of September in the year of our Lord, 1726, I **Mary Orrell** of Dorchester County in the Province of Maryland, widow, being only sick and weak in body but of perfect mind and memory thanks be given unto God therefore calling to mind the mortality of my body and knowing that is appointed for all men once to die do make and ordain this my Last Will and Testament. That is to say, principally and first of all I give and recommend my soul into the Hands of God that gave it; for my body I recommend it to the Earth to be buried in a Christian like and decent manner, at the discretion of my executor, nothing doubting but at the General Resurrection, I shall receive the same again by the mighty power of God and as touching such Worldly Estate whereas it hath pleased God to help me in this life I give, devise and dispose of the same in the following manner and form.*

*I give to my well beloved daughter **Mary Orrell** the lot which my husband **John Orrell** bought from **Thomas Taylor** being the sixth lot lying in the Town of Cambridge to her and her heirs forever. And I likewise give to my daughter **Mary Orrell** my riding horse named Dragon Saole of Bride. My will and desire is that my two lots number three and four together with my dwelling houses and other house thereupon standing and being situated in the Town of Cambridge be sold by executors hereafter named at the best market towards maintaining and bringing up of my three youngest children, **Glidwell Orrell**, **Francis Orrell** and **Elizabeth Orrell** and the payments of my just debts. But in case my executor hereafter named should not sell or dispose of the said lots and houses then my will and desire is that my said three children **Glidwell**, **Francis** and **Elizabeth Orrell** to have and possess the said two lots and houses in joint tenancy to them and their heirs forever.*

*I give unto my daughter **Martha Orrell** a young mare I had of John ? and my other sidesaddle and bridle.*

*I likewise constitute and make and ordain my trusty well beloved friend **Goo? Lockerman** of **Thomas Nevett** my only and sole executor of this my Last Will and Testament and to hereby utterly disallow, revoke, and annul all and every other former testaments, wills, legacies of executor by me in any way before this time named, willed or bequeathed, satisfying and confirming this and no other to be my Last Will and Testament. In witness whereof I have hereunto set my hand and seal the day of the year written above. Signed, sealed, published, and pronounced and declared by the said **Mary Orrell** as her Last Will and Testament in the presence of the subscribers: **James Woolford**, **John Stewart** and **Mary Stewart**.*

*On November 26, 1726 came **James Woolford** and **Mary Stewart** two of the witnesses to the Last Will and Testament of **Mary Orrell** late Dorchester County and made Oath upon the Holy Evangelists of Almighty God that they saw **Mary Orrell** sign and seal and heard her publish and declare the written writing to be her last Will and Testament and at the time for her doing so she was to the best of their knowledge in perfect sense of memory and that the other witness **John Stewart** was present and signed.*

Both John and Mary's litigation over their property and inventories went on for years and years. Mary's inventory was basically the same as John's. The court cases are too numerous to list here.

John and Mary had the following children:

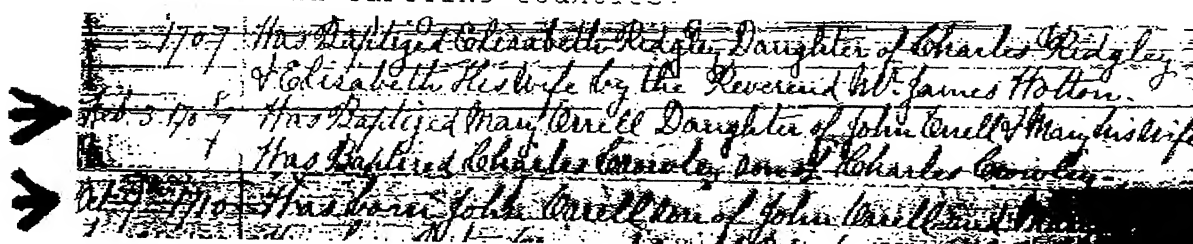

- i. **Mary Orrell** was born about 1709 in Maryland.
- ii. **John Orrell, Jr** was born on 7 October 1710 in Maryland.
- iii. **William Orrell** was born about 1712 in Maryland.
- iv. **Martha Orrell** was born in 1713 in Maryland.
- v. **Thomas Orrell** was born in 1718 in Maryland.
- vi. **Glidwell Orrell** was born in 1719 in Maryland.
- vii. **Francis Orrell** was born about 1720 in Maryland.
- viii. **Elizabeth Orrell** was born about 1721 in Maryland.

Second Generation

1> **Mary Orrell** (John) was born about 1709 in Maryland and was christened on 3 Feb 1709 in St. Annes Parish Church (Protestant Episcopalian) in Anne Arundel County, Maryland.

Author's note One of my biggest "finds" while researching was the day in 1990 **Reb Orrell** and I were researching at the Baltimore Historical Society. We had worked the book collection and were browsing the microfilm collection. I spotted several church registers from Anne Arundel County and the first one I loaded into the reader contained the registers from St. Annes Parish in Annapolis. What a thrill to find the actual entry for Mary's christening and John, Jr's birth!

Mary married **John Tollett** in 1729 in Dorchester County, Maryland. John was born in 1705 in Maryland.

In the Dorchester County records I found the following: *On 10 November 1742 John Tollett of Dorchester County, Gentleman, had conveyed to Thomas Eccleston 228 acres of Middle Division which John Orrell, deceased, had conveyed to his two children Thomas Orrell and Martha Orrell and sold by Thomas Orrell, Joshua Kennerly and Martha Kennerly to said John Tollett.*

Mary and John lived in Queen Annes County, Maryland. Queen Annes County was created in 1706 from Talbot County.

John's will was written on 21 August 1730 in Dorchester County, Maryland. I had a death date of March 1730 for John but that couldn't be right as he had a land transaction in 1742! He died in March 1730 in Dorchester County, Maryland.

Mary and John had the following children:

- i. **John Tollett** was born in Maryland.
- ii. **Mark Tollett** was born in Maryland.

2> **John Orrell, Jr** (John) was born on 7 Oct 1710 in Annapolis, Anne Arundel County, Maryland.

I found John's birth recorded in the church register of St. Annes Parish (Protestant Episcopalian) Church while browsing through the *Index to Register of Births 1687-1759 at the Baltimore historical Ssociety*. This is the oldest documented birth that I have found. St. Annes Parish was established in 1693 in Annapolis, Anne Arundel County..

John's name was prominent in Dorchester and later Caroline County court records.

On 8 February 1738 John is a witness in Dorchester County.

On 1 September 1739 John and his brother Glidwell and Elizabeth his wife sold to **Thomas Eccleston** 114 acres on branch of Cabin Creek. This was part of the tract of land known as *Middle Division*.

John married **Alice Eccleston** about 1742 in Maryland. I believe Alice's (also spelled Alis) father was **Charles Eccleston**. The names **Charles Eccleston, Jr** and **William Eccleston** appear often in **John Orrell, Sr** and Alice's

Descendants of John Orrell, Sr and Mary Hunt of Maryland

records. I believe Charles, Jr and William were Alice's brothers.

On 11 March 1742 **John Orrell**, carpenter sold to **Thomas Eccleston** part of a tract of land called *Middle Division* and part of a tract of land called *Taylor's Discovery* totaling 140 acres on the north side of Ingram's Creek.

John was mentioned in court records of Anne Arundel County in 1747.

On 6 October 1750 John was a witness in Dorchester County.

On 1 September 1760 **John Orrell**, eldest son and heir at law of John, deceased sold to **Charles Goldsborough** Lots 3, 4 & 6 in Cambridge.

On 12 September 1760 **Henrietta Dalany** of Annapolis, widow sold to **John Orrell, Jr** and **Matthew Driver**, planters a tract of land known as *Clements Chance* which contained 200 acres.

In 1764 Dorchester County, John was shown with a tract of land he patented called *Force Putt* containing 95 acres. The tract of land known as *Manor of Nanticoke* was mentioned in John's patent. It was also mentioned in a land record of **Henry Orrell** dated 1694. I haven't found any other reference to **Henry Orrell** and have no idea who he was. I'm sure we will find he is related to John's family.

Dorchester County, Maryland Land Patent Records Certificate # 2262 shows **John Orrell, Jr** had 378 acres surveyed on 15 April 1771, returned 15 November 1771 and passed 12 November 1772. A patent on this land was issued on 27 January 1773. John named the tract of land *Orrell's Chance*.

John's will was dated 9 June 1779 and witnessed 1 April 1780.

for Caroline County

John died between April 1780 and July 1780 in Caroline County, Maryland. His Testamentary Bond is dated 6 June 1780 in Caroline County. Bondsmen were his wife Alice, **Joseph Foster** and **Daniel Sherwood**. John's inventory was dated 27 July 1780. The inventory shows the usual amount of farming tools, animals, and household articles, among which were pewter dishes. The inventory also listed *one old Negro man*. Nearest of kin were brothers **Francis Orrell** and **William Orrell** who approved of the inventory and two of the greatest creditors: **Edward White** and **William Browne**. John's wife **Alice Orrell**, administrator, gave oath on 31 October 1780 that the inventory was correct.

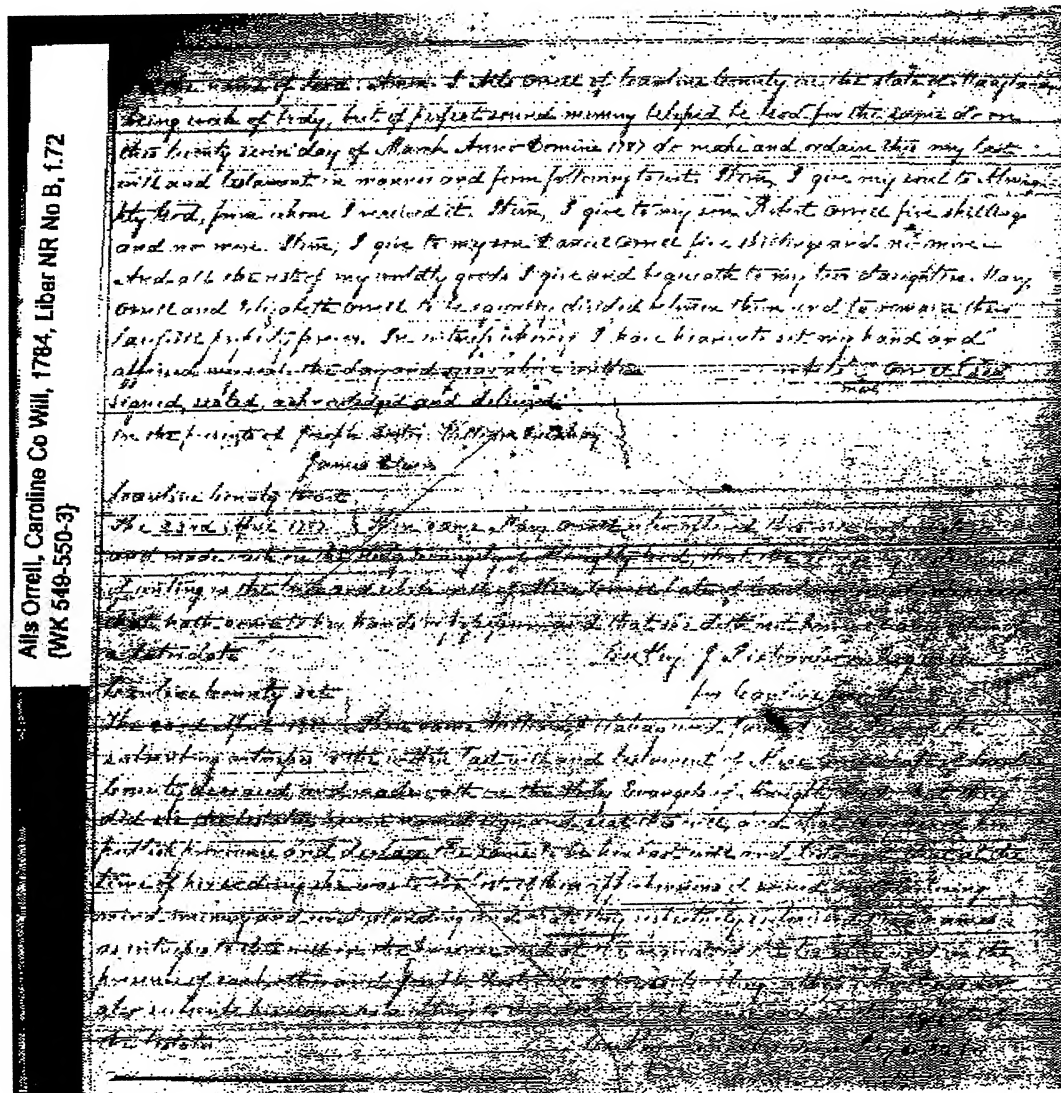

John's final account is dated 20 February 1781 and again the bondsmen were **Joseph Foster** and **Daniel Sherwood**.

John's wife Alice died in April 1787 in Maryland and was buried in April 1787 in Caroline County, Maryland.

Alice was listed in *An Inventory of Maryland Papers Vol I* dated 17 Aug 1782 for account of wheat received.

Alice's will was written on 27 March 1787 in Caroline County. Her daughter **Mary Orrell** offered the will for probate on 23 April 1787. The will was witnessed by **William Delahay**, **James Dixon** and **Joseph Foster**.

Descendants of John Orrell, Sr and Mary Hunt of Maryland

John and Alice had the following children:

- i. **Thomas Orrell** was born about 1755 in Maryland.
- ii. **Elizabeth Orrell** was born about 1760 in Maryland.
- iii. **Robert Orrell** was born in 1761 in Maryland.
- iv. **Daniel Orrell** was born in 1764 in Maryland.
- v. **Mary Orrell** was born in 1766 in Maryland.

3> **William Orrell** (John) was born about 1712 in Maryland. Very little is known about William. The only proof of him being the son of **John Orrell** is in the inventory of his brother John which states: *two nearest of kin - Francis and William.*

William served in the Maryland Colonial Wars in 1740 in Captain Thomas Johnson's Company.

Second Generation

I found one land transaction dated 1741 in Caroline County.

William is listed in the Tax Assessment of 1783 Caroline County in Upper Choptank District. The tax assessment states: *single white man of age*. This would make him about 71 years old in 1783! I had always thought this William was the one who settled in North Carolina but the tax assessment just about ruled that out.

4> **Martha Orrell** (John) was born in 1713 in Maryland. Very little is known of Martha. She was mentioned in Dorchester County land records as *child of John Orrell, Sr* on 10 November 1742.

Martha married **Joshua Kennerly** in 1752 in Dorchester County, Maryland. Joshua was born about 1715 in Maryland.

5> **Thomas Orrell** (John) was born about 1718 in Maryland. He married **Sarah** She was born about 1718 in Maryland.

Thomas was listed many times in Dorchester County land records.

In 1742, Thomas was mentioned as a son of **John Orrell, Sr.**

Thomas was listed again on 3 August 1749 in a deed between he, his wife Sarah, and **James Layton**. The tract of land was named *Mills Purchase* and was located in Dorchester County.

In 1749 Thomas was mentioned again in a deed between he and **Abraham Kemmy**. The tract of land was called *Hog Pen Ridge*.

In 1752 Thomas was mentioned again in deed for a tract of land called *Taylor's Interest* owned by **William Taylor**.

In 1752 Thomas was mentioned again in a land deal between he and **James Kirkman**.

In 1753 Thomas was mentioned again with his wife (he was a tailor) and **George Bell**. This was the last date I found mention of **Thomas Orrell** in Maryland records.

In 1753 a **Thomas Orrell**, tailor, showed up in land records in Onslow County, North Carolina. I've always suspected this was the same person as the **Thomas Orrell** from Maryland.

6> **Glidwell Orrell** (John) was born about 1719 in Maryland. He married **Elizabeth** about 1739 in Maryland.

On 28 January 1737 **Joshua Kennerly** of Dorchester County to **Charles Goldsborough** of the same County: *1/3 of two houses and lots in Cambridge devised to Elizabeth Orrell, Glidwell Orrell and Francis Orrell by their dec'd mother.*

On 1 September 1739 Glidwell's name appeared in Dorchester County land records when he sold 1/3 of Lots #3 and #4 in Cambridge to **Charles Goldsborough**.

On 10 June 1742 Glidwell, blacksmith, and Elizabeth, his wife and **John Orrell**, carpenter, all of Dorchester County, to **Thomas Eccleston** of the same county, 114 Acres on branch of Cabin Creek called *Middle Division* devised by the father of Glidwell and John to the said **John Orrell**.

On 10 June 1742 Glidwell was mentioned in another land deal as the owner of land with brothers and sisters.

Glidwell's name appeared on a list of debts due the estate of **Samuel Coborn** dated 18 December 1745. This was the

Descendants of John Orrell, Sr and Mary Hunt of Maryland

last date found for Glidwell in Maryland records.

In the book *Sunlight of the Southside* a **Gladwell Oriel** (probably **Glidwell Orrell**) was listed as paying taxes in Lunenburg County, Virginia in 1752. That area in Virginia was divided into two other counties - Campbell and Bedford. Glidwell was listed in a petition of **Elizabeth Underwood** in September 1752 Court, Order Book 211/2, page 253. He was also listed in an estate inventory record on 8 April 1752 in the estate of **William Brown**.

I strongly believe he was the same **Glidwell Orrell** that purchased land in Onslow County, North Carolina in March 1760. Also, he was living on this land in March 1779. Some notes say he lived to be 100 years of age! Both Glidwells were blacksmiths. Coincidence? Maybe - but doubtful. The comparisons between the two are just too similar to overlook!

7> **Francis Orrell** (John) was born about 1720 in Maryland. Francis married (1) **Rachel Harwood**, daughter of **John Harwood** and **Rebecca Sergeant**. Rachel was born about 1720 in Maryland. She was named in her mother's will dated 5 October 1741 and probated 19 June 1742 in Caroline County. It is not known if Rachel was alive when her mother's will was offered for probate. There is a remote chance Rachel was divorced from Francis but I haven't found anything to substantiate this. The only mention of **Rachel Harwood** being the wife of Francis was found in Caroline County Court Records in the will of Rachel's mother. Also, the book *Maryland Calendar of Wills* lists **Rachel Orrells**, daughter of **Rebecca Harwood**, Dorchester County.

Francis was found many times in Dorchester, Queen Annes and Caroline Counties. The reason he was found in three counties was the fact the county boundaries changed several times. Francis remained in the same area.

Francis also married (2) **Delilah Kirkham**, daughter of **James Kirkham** and **Africa Durdin**, about 1741 in Maryland. Delilah was born in Maryland.

On 5 July 1742 **Francis Orrell** of Dorchester County sold to **Charles Goldsborough** 1/3 of two lots #3 and #4 in the town of Cambridge.

On a Dorchester County land record dated 10 November 1742, **Francis Orrell** of Dorchester County, Wheelright, son of **John Orrell, Sr** sold to **Thomas Eccleston**, planter, part of a tract of land called *Middle Division* near the branches of Cabin Creek. The tract contained 114 acres and was left to the children in the last will and testament of **John Orrell** deceased.

Dorchester Land Patents Certificate #2263 shows **Francis Orrell** had 50 acres surveyed on 10 September 1747 and passed 11 October 1747. The tract of land was named *Orrell's Kindness*.

[illegible]

Land Patent and Survey for *Orrell's Kindness*

On 18 February 1748 through 1749 **Francis Orrell** was shown as a Corporal in the Queen Annes County Militia with Captain Andrew Price's Company.

On 27 July 1751 **Ambrose Gausling** of Dorchester County purchased from **Francis Orrell** of Queen Annes County the tract of land called *Orrell's Kindness*. The land was located on Kirk's Branch, west side, northwest fork of Nanticoke River opposite the dwelling plant of **Thomas Orrell** and containing 50 acres.

Francis was mentioned several times in Queen Annes County court records in 1772.

In 1776 Francis took the Oath of Fidelity to Maryland in Caroline County.

Francis Orrell was shown three times in Caroline County Tax Lists for 1778, once in Caroline County, once in Tuckahoe Hundred and once in Choptank Hundred

Francis was mentioned in Caroline County Court records as 67 years old in 1788. His name appears in the 1789 Caroline County March Session of the Chancery Court.

The 1790 Caroline County Census listed Francis with 2 males 16 up; 2 males under 16; 3 females and 4 slaves.

Francis died about June 1799 in Caroline County, Maryland. His will was written 16 December 1798 and was offered for probate 19 June 1799. The executor of the will was **James Hicks**. The will was witnessed by **Henry Hardcastle** and **John Satterfield**.

6> **Daniel Orrell, Sr** (John, John) was born in 1764 in Maryland, probably Caroline County. Daniel's birth was recorded in the Etchinson-Orrell Bible. The page showing Daniel's birth is shown below. This is the only known reference to Daniel's birth. Daniel married **Nancy Ann Rumbly**, daughter of **Edgar Rumbly** and **Ann Hays**, about 1784 in Maryland or Delaware. Nancy was born about 1760 in Maryland.

Daniel was left five shillings in his mother's will dated 1787.

Daniel moved to Rowan Co, North Carolina before 1790. The 1790 Rowan County, North Carolina Census listed Daniel with his name spelled **Oral**.

Daniel's name first appeared in Rowan County deeds on 8 December 1790 when he bought 100 acres of land on Ellis Creek for £60 from **Abraham Little** and his wife Margaret. This land wasn't recorded until 1793.

On 26 March 1795 **Zephaniah Harper** and Elizabeth his wife sold to **Daniel Orrell** 97 ½ acres on Carter's Creek for £75.

On 20 October 1797 **Daniel Orrell** sold to **William Branch** 100 acres on Carter's Creek for £60.

Descendants of John Orrell, Sr and Mary Hunt of Maryland

On 1 April 1797 **Daniel Orrell** and his wife Nancy sold to **Daniel Call** 100 acres on Ellis Creek next to **Evan Ellis**, **Joseph Wolfscale**, **David Hendrix** for £100. Also on the same day, Daniel and Nancy sold 35 acres on the west side of Linville Creek to **John Hendrix** and **Michael Hinkle** for £30.

In 1797 Daniel bought land from **James Rumbley**.

In 1797 Daniel bought land from **William Brannock**.

In 1797 Daniel bought land from **Daniel Call**.

In 1797 Daniel bought land from **Daniel Call**.

Author's note I have copies of these deeds but none of them were readable when copied.

In 1806 **Daniel Orril** (sic) was appointed Justice of the Peace of Rowan County.

On 3 August 1801 **Michael Smith** sold to **Daniel Orrell** 218 $\frac{3}{4}$ acres on Carter's Creek for £436. The witness was **Jacob Smith**.

Daniel was shown in Captain Phillip's District, Rowan County Tax List for 1805.

On 30 April 1810 Daniel witnessed a land transaction in which **John Peck** sold to **James Orrell** 100 acres on Carter's Creek for \$300.

Author's note ☞ I had to be careful deciding which Daniel was which. My own ancestor, **Daniel Black Orrell**, settled only a few miles from this Daniel in 1792. Apparently they were related, but I haven't found anything to substantiate this. The area my Daniel lived was divided into Davidson County in 1822, making it easier to distinguish the two men. Also, my Daniel usually added his middle initial when signing his name.

The 1820 Rowan County, North Carolina Census listed Daniel with 2 sons, 2 daughters, and a wife.

The 1830 Rowan County, North Carolina Census listed Daniel with 2 sons, 1 daughter and a wife.

On 17 September 1777, a marker was unveiled denoting the history of the Pleasant Grove Chapel M. E. Church. Daniel sold 1½ acres of land on Haines Mill Creek to the church on 3 August 1812 for 20 shillings. The transaction was recorded in book 22, page 628 Rowan County Deeds. Daniel was also a Trustee and one of the founders of the church along with **Charles Caton**, **Joshua Caton** and **Hardy Jones**.

Daniel died on 26 November 1830 in Forks of the Yadkin, Rowan County, North Carolina. His death was reported in the *Western Carolinian* newspaper on 4 January 1831. I found Forks of the Yadkin was a small community which changed its name to just Forks later on. The rivers Yadkin and South Yadkin border Davie, Davidson and Rowan Counties.

Daniel was buried in an old family cemetery which is now on the land of **Perry Hayworth**, Rt 1, Kernersville, North Carolina. Daniel owned this land at the time of his death. There are no stones or markers there today, only a small hill overlooking a small stream and covered with honeysuckle. The present owner tells of his ancestors telling him many times of a cemetery on that spot.

Daniel's will was dated 15 November 1830 and recorded in Rowan County, North Carolina.

Nancy died on 15 July 1833 in Rowan County, North Carolina. Her will was dated the same day and recorded in Rowan County.

Daniel and Nancy had the following children:

- xi. **Anna Orrell** was born about 1819 in Rowan County, North Carolina.
- xii. **Samuel W. Orrell** was born in 1825 in Rowan County, North Carolina.

7> **Mary Orrell** (John, John) was born about 1766 in Maryland.

8> **Thomas Orrell** (Francis, John) was born about 1742 in Maryland.

In a record of conveyance from the owners of a tract of land known as *Orrell's Kindness* Thomas, son of Francis was listed as a tenant on that land in 1763.

Thomas married **Sarah Sommers** on 1 June 1774 in Caroline County, Maryland. Sarah, the daughter of **Felix Sommers** and **Elizabeth**, was born about 1745 in Maryland.

On 6 January 1774 **John Wheatley** of Queen Annes County, son of William sold to **Thomas Orrell** a tract of land known as *Addition To Danby* in Dorchester County containing 169 ½ acres.

On 26 January 1774 in county court there was an entry: *received of Thomas son of Francis Orrell, six shillings, nine pence, three farthings for alienation fee.*

In 1777 Thomas, son of Francis, took the Oath of Fidelity to the State of Maryland in Caroline County. This was found in *Oaths of Fidelity to Maryland Vol II*, page 34.

On 6 March 1779 **Edward Lloyd** of Annapolis sold to **Thomas Orrell** of Caroline County a tract of land called *The Venture* containing 68 ½ acres in Caroline County.

On 20 October 1779 **Thomas Orrell** and Sarah his wife of Caroline County sold to **Robert Bishop** of Caroline County part of the tract of land known as *Addition to Danby* containing 7 ¼ acres.

On 11 January 1781 Thomas sold to **Charles Eccleston** and **William Eccleston** of Dorchester County all of his rights to the tract of land called *Middle Division*.

Descendants of John Orrell, Sr and Mary Hunt of Maryland

On 12 January 1785 **Thomas Orrell** and Sarah, his wife, of Caroline County sold to **William Stevens** part of the tract of land called *Addition to Danby* containing 14 ½ acres.

Thomas Orrell son of Francis was mentioned again in 1789 as seller of part of a tract of land known as *Danby*.

On 17 June 1789 **Thomas Orrell**, son of Francis of Caroline County and Sarah, his wife sold to **James Ewing**, farmer, part of *Addition To Danby* containing 147 ½ acres. The deed mentions Orrell's *now dwelling house*.

On 17 January 1794 **Thomas Orrell** sold to **Colonel William Whitely** for £100 a tract of land known as *Revival* containing 124 ½ acres.

Thomas Orrell died in September 1794 in Caroline County, Maryland.

In the 1796 Chancery Court of Caroline County records, **Colonel William Whitely vs Sarah Orrell**, admx, and children, in a petition to sell the land called *Revival* that **Thomas Orrell** had mortgaged to him

On 13 March 1798 letters of administration were granted to **Joseph Richardson** and **Sarah Orrell**, widow.

On 10 February 1800 Robert Orrell was appointed trustee to sell the land of **Thomas Orrell**.

Thomas and Sarah had the following children:

- i. **Elizabeth Orrell** was born in 1775 in Maryland.
- ii. **Anna Statia Orrell** was born about 1778 in Caroline County, Maryland.
- iii. **James Orrell** was born about 1779 in Caroline County, Maryland.
- iv. **Felix D. Orrell** was born in 1779 in Maryland.
- v. **Mary Orrell** was born in September 1787 in Caroline County, Maryland.
- vi. **William Orrell** was born on 7 December in Maryland.
- vii. **Anne Orrell** was born in Maryland.

9> **Dorden Orrell** (Francis, John) was born about 1755 in Maryland. He married **Mary**

Dorden's name was listed in Caroline County, Maryland Tax Lists in 1778 as **Dwidan Orrell**, Tuckahoe Hundred and **Dwudan Orrell**, Choptank Hundred.

Dorden served in the Revolutionary War. He was mentioned in *Maryland Calendar of State Papers* on page 20.

From *Muster Rolls of the 4th Independent Maryland Company (Talbot County)*, in July 1776 Captain Phillip Feddeman's Muster Roll, Caroline County shows **Dorden Orrell** is listed as a Private. He served between 1 January 1782 and 1 January 1783 in Company 4, 4th Battalion. He was listed in *Revolutionary War Records Index #50 - Pay Records 1780-1784*. Dorden also served from 1 January 1783 to 15 November 1783 in Company 4, Northern Detachment. In Revolutionary records his name was spelled Durdin, Dorden, and Darden.

Dorden made oath as surviving executor on the inventory of **William Orrell**.

Third Generation

An inventory for a **Dorden Orrell** was filed in Prince George County, Maryland on 18 May 1793.

Author's note ☞ I have no idea which Dorden this was or why he was in Prince George's County! This Dorden is definitely not the son of Francis. I strongly believe that this is a son or nephew of the original **Dorden Orrell**.

The 1800 Caroline County Census listed Dorden with 3 males under 10; 3 females under 10; 1 male 16-26; 1 female 16-26; 1 male over 45 and 1 female over 45.

The 1810 Talbot County Census listed Dorden with 3 males under 10; 1 female under 10; 1 male over 45 and 1 female 16-26.

Dorden died sometime after 1810.

Dorden and Mary had the following children:

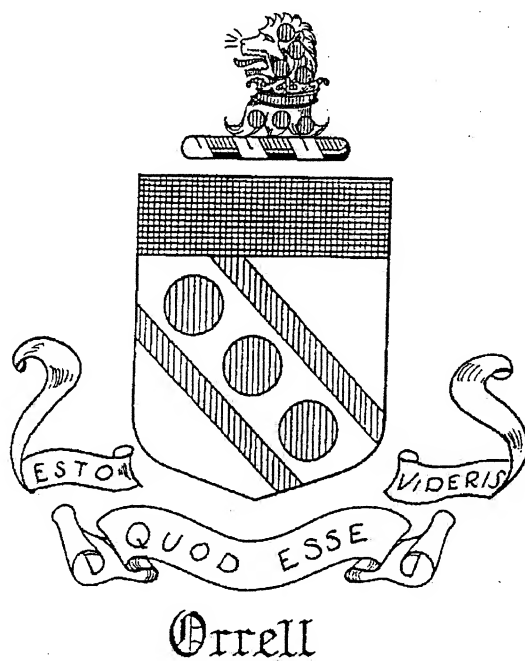

- i. **James Orrell** was born about 1798 in Maryland.
- ii. **William Orrell** was born before 1798 in Maryland.
- iii. **Elizabeth Orrell** was born before 1798 in Maryland.
- iv. **Francis Orrell** was born about 1802 in Maryland.
- v. **Sarah Orrell** was born about 1803 in Maryland.

Author's note ☞ I'm listing two more children which Reb and I strongly believe are the children of **Dorden Orrell**.

Reb is sure enough to list **Edward Orrell** as his ancestor. Edward was born about 1795 in Talbot County, Maryland and has too many similarities to this family to overlook as a son of Dorden, including being in Talbot County at the same time, census reports showing more children than we have listed, etc. Reb plans a new book on his ancestors which will include all known information on this son.

The other possible child of Dorden is **John Frank Orrell** who was born about 1796 in Maryland. The only evidence of this is found in the 1850 Orange County, Indiana Census. The census states John was born in Maryland. Reb and I are planning a book with all known persons with the name of **Orrell** found in Maryland. John will be included in this book.

Also, **James Orrell** and **Francis Orrell** are very likely the James and Francis who moved to Ohio and Indiana and raised very large families. Our good friend and colleague, **David Oliver Orrell**, descends from this line.

Fourth Generation

Fourth Generation

1> **Thomas Orrell, Jr** (Thomas, John, John) was born about 1779 in Maryland. He married **Elizabeth** She was born about 1770 in Maryland.

2> **John Orrell** (Thomas, John, John) was born about 1780 in Maryland. He married **Elizabeth Wilson** on 29 December 1801 in Kent County, Delaware.

3> **Henry Orrell** (Robert, John, John) was born about 1781 in Maryland. Very little is known of Henry. He married (1) **Caroline Bradley** on 18 May 1835 in Caroline County, Maryland. Caroline was born about 1785 in Maryland.

Henry and Caroline had the following children:

- i. **Henry Orrell** was born about 1835 in Maryland.
- ii. **Robert John Orrell** was born on 7 August 1836 in Maryland.
- iii. **Joseph Orrell** was born about 1838 in Maryland.

Henry also married (2) **Ann Marie Downes** on 6 June 1838 in Caroline County, Maryland. Ann was born about 1785 in Maryland.

Ann died after 1840 in Maryland.

There is a **Henry Downes** and **Margaret Downes** buried in Sellers Family Cemetery in Hillsboro, Maryland. There is also a **Phillip Downes** and **Annie M. Downes** in Denton, Maryland. Very possibly this Annie is the same person as Ann Marie.

Henry died on 17 September 1840 in Caroline County, Maryland.

The 1840 Caroline County, Maryland Census listed one more male than I have in the database. The census listed 1 male 0-5; 1 male 10-15; 1 male 15-20; 1 male 20-30; 1 female 20-30; and 1 female 40-50. Henry was deceased.

Henry was listed in the Caroline County Chancery Docket as deceased in 1858. He is also listed as seized of the tract of land known as *Orrell's Chance*. This means he was the owner of the land when he died.

In all my years of research I had not heard of an oral will until I ran across this one. Just before Henry died he gave an oral will in the presence of **Joseph C. Talbott**, **Solomon Truitt** and the clerk. These same two men witnessed the actual will on 22 September 1840 in Caroline County. Henry's will was probated on 26 September 1840 in Caroline County.

4> **William Orrell** (Robert, John, John) was born about 1782 in Maryland.

William was shown as serving several times in the War of 1812. On 8 April 1812 he served two days. Starting on 11 May 1812 William served 6 days. His appointment was listed in the *Military Commission Records 18 June 1812* in the Caroline County Militia. William was listed in the *Pension Records of the War of 1812* Index #52. William served in the 10th Regiment, Maryland Militia as a 2nd Lieutenant appointed by **Governor Wright**.

The 1820 Caroline County, Maryland Census listed **William Orrell** with 2 males 10-16; 1 male 16-26; 1 male 26-45; 2 females over 45; and 2 females under 10.

The 1830 Caroline County, Maryland Census listed **William Orrell** with 2 males 20-30; 1 male 40-50; 1 male 50-60; 1 male 60-70; and 1 female 20-30.

Descendants of John Orrell, Sr and Mary Hunt of Maryland

On 21 September 1809 **William Orrell** of Caroline County, surveyor, bought from **William Whitely** for \$10,800 a tract of land known as *Whitely's Regulation* and part of another tract called *Lowes Purchase*. Both tracts contained 520 acres.

William married **Mary E. Costin Hardcastle**, daughter of **Henry Costin, II** on 7 December 1811 in Caroline County, Maryland. Mary was the widow of **John Hardcastle** and was born about 1774 in Maryland.

On 28 March 1812 **William Orrell**, surveyor, and Mary, his wife, and **John Earle** sold the tract of land called *Costin's Park*.

On 31 October 1815 **Mary Orrell** of Caroline County released her Negroes from Slavery.

In 1816 there was a land transaction between **William Orrell** and **Emanuel Comey** (Comegys?)

In the *Republican Star* dated 29 October 1816: *Sale of real estate of John Hardcastle dec'd by trustee; 1065 acres for \$5281 under right of dower of Mrs Orrell, late widow of the deceased.*

On 20 June 1818 **William Orrell** and Mary, his wife, sold to **John Anthony** of Kent County, Delaware for \$945 her right of dower in lands of **John Hardcastle**, her former husband.

On 2 September 1826 William ran for Elector of the Senate.

On 27 February 1827 William and Mary sold to **John Turner** land in Talbot County.

On 24 July 1830 William was listed in the *Easton Gazette* as a Candidate for the State Legislature.

On 6 August 1831 William was nominated by the Republican Party for Elector of the Senate.

On 15 October 1834 **William Orrell**, sheriff of Caroline County gave writ to **Mitchell Corey** and **Jacob Corey**. This is the only mention of William being sheriff.

On 17 November 1835 **Thomas Worrell** and **Nancy Worrell** of Talbot County gave to **William Orrell** a Power of Attorney.

On 19 January 1839 **William Orrell** and Mary, his wife, sold to **Elisha Miloney** 78 acres for \$225. The tract of land was known as *Mt. Pleasant* and was located on the Choptank River.

The 1840 Caroline County, Maryland Census listed **William Orrell** with 1 male 10-15; 1 male 50-60; 1 female 0-5; 1 female 30-40 and 1 female 60-70.

William died on 27 April 1841 in Denton, Maryland. On 25 May 1841 **Mary Orrell** obtained letters of administration on the estate of **William Orrell**.

On 22 May 1842 Mary filed the first account. Although William was heavily in debt, Mary buried him in style: she paid \$74.72 for a mahogany coffin *lined with cloth and finished in the best manner* plus 600 bricks for the grave.

On 21 Jun 1842 **Mary Orrell** sold to **Thomas Cullbreath** for \$150 her dower in land of **John Hardcastle** her former husband. The land adjoined that of **William Orrell**, deceased.

The **William Orrell** listed in the 1850 Caroline County Census should be William's son. The William listed is age 39 and a farmer. With him is mother **Mary Orrell** age 43 and William's grandmother Mary age 76.

Fourth Generation

On 7 April 1853 **Mary Orrell** sold for \$100 her rights to a tract of land known as *Costin's Park* containing 234 acres.

In the Caroline County Chancery Court Mary is listed as widow of William, Administrator/defendant.

In December 1843 Caroline Chancery Court Records show that William died intestate (no will). His death is listed in the Hardcastle-Orrell Bible Records.

William and Mary had the following children:

- i. **Lucretia E. Orrell** was born on 17 July 1812 in Maryland.
- ii. **Louisa Janett Orrell** was born on 14 November 1814 in Baltimore, Maryland.
- iii. **Mary E. Orrell** was born on 24 December 1816 in Maryland.
- iv. **William Orrell** was born in 1822 in Maryland.

5> **Joseph Boon Orrell** (Robert, John, John) was born in 1793 in Maryland. Joseph married **Elizabeth Skinner**, daughter of **Zebulon Skinner** and **Mary Ann**, on 10 August 1819 in Caroline County, Maryland. Elizabeth was born about 1795 in Maryland.

Joseph died on 29 January 1826 in Caroline County, Maryland at age 33.

From the *Easton Gazette* Saturday 11 February 1826 : *Died on Sunday the 29th ult. at the residence of his father Col. Robert Orrell, Mr. Joseph Orrell in the 33rd year of his life.*

Joseph and Elizabeth had the following children:

- i. **Zebulon Skinner Orrell** was born on 31 March 1825.
- ii. **Daniel Orrell** was born before 1826 in Caroline County, Maryland.

6> **Margaret Orrell** (Robert, John, John) was born was born in 1794 in Maryland. She married **Thomas Derochbrune**, son of **Matthew Derochbrune** and **Sarah Wooters**, on 24 Sep 1842 in Baltimore, Maryland. Thomas was previously married to **Anna Maria Downes** and fathered nine children.

Margaret died on 13 March 1873 in Queen Annes County Maryland.

Thomas died on 26 August 1875 in Queen Annes County, Maryland.

7> **Mary Orrell** (Robert, John, John) was born about 1800 in Maryland. The only mention of Mary is a death notice in the *Easton Gazette* dated 24 September 1831: *Died 1st inst Miss Mary, youngest daughter of Robert Orrell.*

8> **John Orrell** (Robert, John, John) was born about 1805 in Maryland.

9> **Robert Orrell, Jr** (Robert, John, John) was born 1807 in Caroline County, Maryland. The only thing we know about Robert is the fact he moved away from Maryland, possibly to Virginia or Delaware.

10> **Daniel Orrell** (Robert, John, John) was born about 1808 in Maryland. Daniel married (1) **Rebecca Ann Boon**, daughter of **Joseph Boon** and **Matilda**, on 12 December 1828 in Caroline County, Maryland. Rebecca was born about 1810 in Maryland. Daniel's marriage to Rebecca was reported in the 23 December 1828 edition of the

Descendants of John Orrell, Sr and Mary Hunt of Maryland

Republican Star newspaper.

On 4 May 1832 **Henry Coursey** sold to Rebecca a tract of land known as *Satterfield Luck* for \$450 in Caroline County.

The 1840 Caroline County, Maryland Census listed Daniel with 2 males 0-5; 1 male 10-15; 1 male 40-50; 1 female 0-5; 1 female 10-15; and 1 female 20-30.

On 15 May 1844 **Daniel Orrell** gave a Deed of Trust ((mortgage) to **John Thawley**, trustee, encumbering all property except wearing apparel of family to satisfy creditors.

The 1850 Caroline County, Maryland Census listed Daniel, age 42, a farmer with a \$3000 estate, with daughter Mary, age 20; son Henry Clay, age 18; son Joseph B. age 14; Ann A. M. age 6 and Racheal A. age 42. I don't know who the Racheal is! Henry's wife had a sister Racheal.

Rebecca apparently had died before the 1850 Census as she was not listed.

Daniel and Rebecca had the following children:

- i. **Mary Band Orrell** was born in 1829 in Caroline County, Maryland.
- ii. **Henry Clay Orrell** was born in 1832 in Maryland.
- iii. **Joseph Boon Orrell** was born in August 1833 in Maryland.
- iv. **Annie E. Orrell** was born in September 1843 in Caroline County, Maryland.

On 26 Mar 1855 **Daniel Orrell** of Caroline County sold to **Henry C. Orrell**, **Joseph B. Orrell**, and **Mary B. Orrell**, in conscript (cash) of \$1216 for goods and chattels.

In the Caroline County Chancery Docket of 1858, there was a suit, **Daniel Orrell** vs. **Edgar Plummer** and **George W. Thawley**, administrators of **John Thawley**. The suit stated that Daniel was entitled to life estate in real estate in Caroline County that he possesses. Daniel and his children resided there.

Henry was listed twice in the 1860 Census. In the 1860 Caroline County, Maryland Census he was living with his son Henry and his wife. Daniel is 60 years of age and working as a fish inspector. He is also listed in the 1860 Baltimore City, Maryland Census in the 15th Ward. He was living in a boarding house owned by **Levi Curry** and working as a fish inspector.

Daniel married (2) **Annie M. Coursey** on 10 September 1860 in Baltimore, Maryland. Annie was born about 1820 in Maryland.

On 7 July 1866 **Daniel Orrell** and Annie M., his wife, sold to **William G. Horsey** in conscript \$400 for a 116 acre farm.

In the 1880 Queen Annes County, Maryland Census **Anna M. Orrell**, 59, widow of Daniel, was listed in the household of **James B. Kunkill**.

The 1900 Queen Annes County, Maryland Census in the town of Sudlerville listed **Annie N. Orrell**, age 79, widow of Daniel.

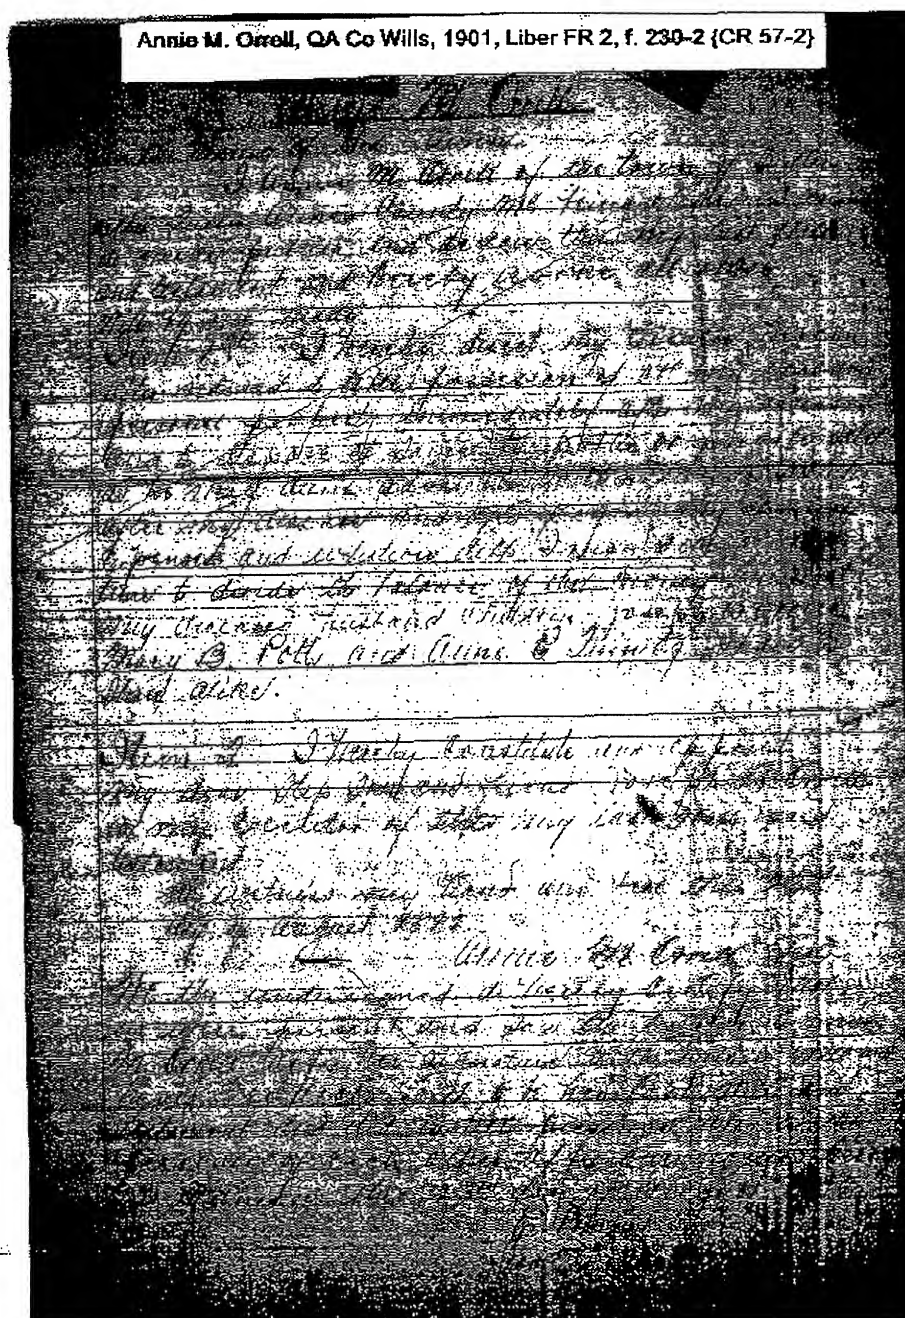

Annie died before 1901 in Caroline County, Maryland.

Fourth Generation

An abstract of Annie's will states:

Annie M. Orrell of the town of Sudlersville, Queen Annes County, Maryland. Executor to sell real and personal property after my death within twelve months, pay bills and devide the balance amongst my deceased husband's children: **Joseph B. Orrell**, **Mary B. Potts**, and **Annie E. Quimby**, share and share alike. My dear step-son and friend **Joseph B. Orrell** as my executor.

Annie's will was written 23 August 1892 and probated 10 September 1901.

11> **Zebulon Orrell** (Robert, John, John) was born about 1809 in Maryland. The only mention we found of Zebulon was in the Caroline County Chancery Court Records where he was referred to as brother of William..

Descendants of John Orrell, Sr and Mary Hunt of Maryland

12> **James R. Orrell, Sr** (Daniel, John, John) was born about 1784 in Delaware. Bear in mind Delaware lies only a short distance from Caroline County, Maryland. James married **Anna Decatur Caton**, daughter of **Charles Caton** and **Jemina Summers**, about 1805 in North Carolina. Anna was born in 1775/1779 in Maryland.

James moved with his family to Rowan County, North Carolina about 1789.

James was shown in Captain Synder's District, Rowan County Tax List in 1815.

I found four transactions for James listed in General Index to Real Estate in Rowan County, North Carolina:

1807 **James Orrell** bought from **John Peck** for \$300 - 100 acres on Carter's Creek (Book 21 pg 778).

1811-14 **James Orrell** sold to **James Howard** (Book 22 pg 558).

1814-17 **James Orrell** sold to **Daniel Sheets** (Book 23 pg 739).

1830-33 **James Orrell** sold to **Alpha Peebles** (Book 31 pg 1).

The 1820 Rowan County, North Carolina Census listed James with 2 males under 10; 1 male 10-16; 1 male 45 up; 1 female under 10; 1 female 10-15; and 1 female 26-44.

The 1830 Rowan County, North Carolina Census listed James with 2 males 15-20; 1 male 50-60; 1 female 5-10; 1 female 50-60.

James moved his family to Arkansas sometime before 1850.

The 1850 Carroll County, Arkansas Census, Carrolton Township listed James, age 73, a farmer, with his wife Anna, age 75. Neither could read or write.

James was not in the 1860 Census, only his wife. Apparently James had died between 1850 and 1860 in Arkansas.

The 1860 Carroll County, Arkansas Census listed Anna at age 90. Her age should have been 85. She was living with **James W. Wood** and family.

James and Anna had the following children:

- i. **James R. Orrell, Jr** was born in 1806/1810 in North Carolina.
- ii. **Nancy Orrell** was born on 2 December 1808 in North Carolina.
- iii. **William Orrell** was born in 1811 in North Carolina.
- iv. **Alpha Lee Orrell** was born on 7 October 1814 in North Carolina.
- v. **Tempie Orrell** was born in 1816 in North Carolina.
- vi. **Mary Orrell** was born in 1818 in North Carolina.
- vii. **Ruth Orrell** was born about 1820 in Rowan County, North Carolina.

13> **Edgar Orrell, Sr** (Daniel, John, John) was born in 1785 in Delaware. Edgar married **Ruth R. Caton**, daughter of **John Caton** and **Susannah**, on 17 January 1810 in Rowan County, North Carolina. Their marriage was listed in the Rowan County Marriage Bonds. Ruth was born on 1 August 1791 in North Carolina.

Edgar moved to Tennessee before 1830. The 1830 Henry County, Tennessee Census listed Edgar with 5 males and 7 females in the household.

Fourth Generation

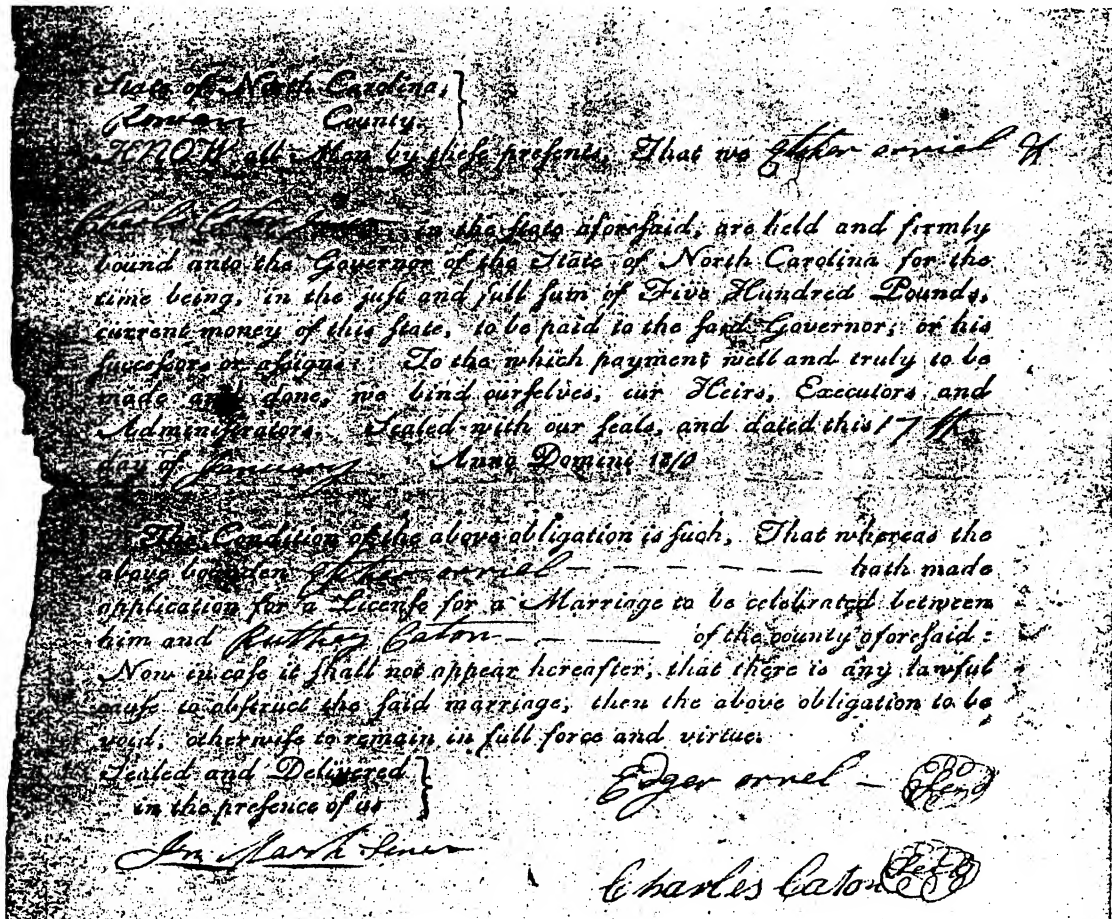

The 1840 Henry County, Tennessee Census listed Edgar with 4 males and 6 females in the household.

Edgar applied for a Henry County, Tennessee Land Grant containing 100 acres on 28 March 1840. The grant was Certificate #4485 and is recorded in Book 5, page 854. I have this grant on file, but unable to read much of it!

In the Henry County, Tennessee Tax Books Edgar was listed from 1829 to 1835.

In the Henry County, Tennessee Index to Deeds **Edgar Orrell** sold to **James E. Carter** 181 acres of land in 1840. This was probably just before he moved to Arkansas.

Marriage Bond for Edgar Orrell and Ruth R. Caton

Edgar moved on to Arkansas between 1840 and 1850. The 1850 Pope County Arkansas Census listed Edgar as farmer with his wife and two children at home.

Edgar bought two tracts of land from the government (cash entries). Certificate #1877 and Certificate #1878 both contained forty acres. The date of the sale was 1 March 1855 in Conway County, Arkansas.

The 1860 Pope County, Arkansas Census, Griffin Township, town of Dover, listed Edgar, age 75, as a farmer with \$300 in real estate and \$200 in personal estate. Listed with him were his wife Ruth R. age 69; son Joseph age 27; daughter Elvira age 24; son Edgar M. age 7; Bazil N. age 4 and death and dumb; and Ruth E. age 1.

Edgar died on 4 March 1861 in Pope County, Arkansas. He died intestate (no will). In the Pope County, Arkansas

Descendants of John Orrell, Sr and Mary Hunt of Maryland

Probate Records Edgar's estate was valued at \$400. His son Joseph Orrell was appointed administrator.

In Edgar's probate records I found a bill from Doctor T. B. Whiteside:

1. Visit and mileage by night for first call \$8 on 22 January 1861.
2. Last call and visit and mileage \$4 on 29 Jan 1861.

Edgar's heirs were his wife Ruth and his 10 children. Judge N. D. Shinn gave permission on 18 November 1861 to sell Edgar's personal property as soon as possible. The probate records were filed in the Pope County courthouse. Joseph Orrell, son of Edgar, applied for letters of Administration which listed all of Edgars heirs.

Nancy died on 15 November 1840 in Davie County, North Carolina.

On 13 February 1855 **William A. Barivick** sold to **Zebulon Skinner Orrell** a slave girl named **Louisa Lane Boon** to serve until 1 January 1869 and then to be free.

Zebulon's second wife Mary died on 24 August 1878.

The 1880 Queen Annes County, Maryland Census listed Zebulon at age 55 as a gardener. His wife Mary was age 41 and daughter Bessie was age 1. Problem: If Mary died in 1878 how was she listed at age 41 in the 1880 Census? I don't know! Possibly this was a third wife who was also named Mary.

There is a reference to William being in Henry County, Tennessee in 1832 in the Sheet letters.

William has long been questionable by Orrell researchers as being the son of James. I have enough information to place him as that son. Maybe some day we will find more conclusive proof.

Daniel also married (2) Elmira Lockner about 1846 in North Carolina. Elmira was born in North Carolina. Daniel married (3) Elminy Tucker, daughter of Tucker and Nancy/Mary, on 29 January 1850 in Davie County, North Carolina. Elminy was born on 3 November 1826 in North Carolina. There has been some confusion as to whether Elmira and Elminy were two separate wives of Daniel. I think they were the same person. We have proof of the marriage to Elminy Tucker. No marriage records have been found to back this marriage to Elmira. Also, the two names are almost identical when trying to translate some of the early records and/or the handwriting. To compound matters both names are used for both women in the records!

Author's note ☞ The Markland/Orrell connection has been one of the most confusing areas of my research! Several Orrells married Marklands - They used different first names at different times and they all were related to start with! This is the main reason most researchers have gray hair! Read on - it gets tougher!

Thomas was not in the 1900 Census, only his wife Cornelia and the two children. They were living with Cornelia's mother and her brother Charley. Also, two children with the same names and ages as Thomas' children show up living with **Daniel Cicero Orrell** in the 1910 Census, but with the last name of Orrell and shown as nephew and niece of Daniel! Did Daniel adopt the Markland children or did they just give the census taker the Orrell name? Were Cornelia and Thomas divorced or just separated?

Died Of Battle Wounds

Sadly and reverently we receive this news telling of the death of the first soldier boy from Bolivar to give his all for you and me and many others and to preserve his country's freedom. Pfc. Cletis Gail Orrell was wounded May 5 on the battlefield in North Africa. He answered the last call May 15. The message telling of his death said he was a brave soldier, fighting to the last. "Gail", as his family and friends called him, enlisted for service three years ago at the age of nineteen. He was twenty-two when he died. Pfc. Orrell was a brother of our neighbor, Mrs. Elvin Krtek. Somewhere beyond the shadow of the dim unknown we hope that he knows that he and his comrades did not fight and lose. Gail's mother was dead and out there we hope she met his immortal being and if she did, we know she said, "Son, I'm proud of you."

Glenn Dolan Orrell was born on December 2, 1932 near Bolivar, Missouri to Harvey and Lelaine (Webster) Orrell and passed away suddenly near his home at Urbana, Missouri at the age of 61 years.

On March 2, 1954, he was married to Willa Barclay and they were blessed with 3 children, Jim Orrell of Camdville, MO, Wesley Orrell of Fairbanks, AK, and Gayla Button of Urbana, MO.

FINAL THOUGHTS

This book represents over 22 years of researching the Orrell Family. Our research is far from complete. Bob and Reb felt they had compiled enough information on John Orrell, Sr to go ahead and publish so others interested in this family could share in their research.

The book was written using a 350mhz Compaq 486 computer with 128 meg RAM, 9.3 gig hard drive, UMAX Astra1200S scanner and Hewlett Packard 1100 laser printer. The book was self-printed at Office Depot and bound by Bob.

Hopefully, our research will be preserved for future generations to enjoy and learn something of their ancestors.

Thanks to the many persons who have shared their notes with us. Without your help, this book would not have been possible.
